Provider Name: Outdoor Aluminum, Inc.  
Provider Number: T279

Course Title: Understanding Grandstand / Bleacher Codes & Specifications  
Course Number: OA1451

### In this class you will:

- Understand the history of grandstand codes.
- Learn about the most common code-related mistakes in grandstand/bleacher design.
- Learn about the grandstand industry standard specification versus code.
- Learn how to use a minimum acceptable criteria, industry standards and grandstand code in your specifications.

Length: 1 hour      Credits: 1 LU Hour      HSW: Yes

**Method of Delivery:** The CES facilitator utilizes a PowerPoint presentation 50 minutes in length that provides an in-depth overview of grandstand and bleacher codes and specifications, followed by a 10-minute question and answer session.

**Audio/Visual required:** Electrical power and a screen for the PowerPoint presentation are required. Outdoor Aluminum supplies the laptop and projector.

**Cost to participants:** There is no cost for this program.

**Point of Contact:** Jeff Giffen  
7207 Kavanugh Rd./Crestwood KY 40014
